CONNECT**

Project Homeless Connect Hastings is a one-day, one-stop event where individuals and families who are homeless or near homeless can receive a variety of immediate, on-site services and support. In its first year, PHC served 196 guests with participation from dozens of agencies, which provided services in the following areas at no cost to the recipients: medical, dental, HIV testing, food, clothing, adult education, housing, employment, legal aid, disability assistance, veteran services, haircuts and others. Planning has begun for the 2013 PHC event and we would like for you to be involved!

Please consider how you, your agency, organization or church can be involved.
